Customer Satisfaction is Our Standard,  
Not Goal !

## COMPANY PROFILE

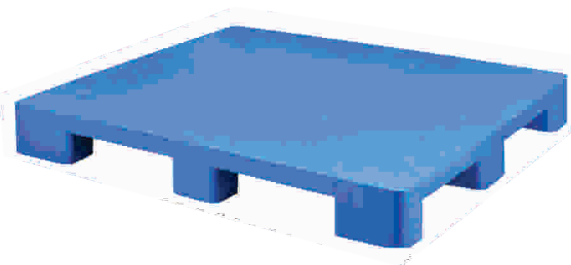

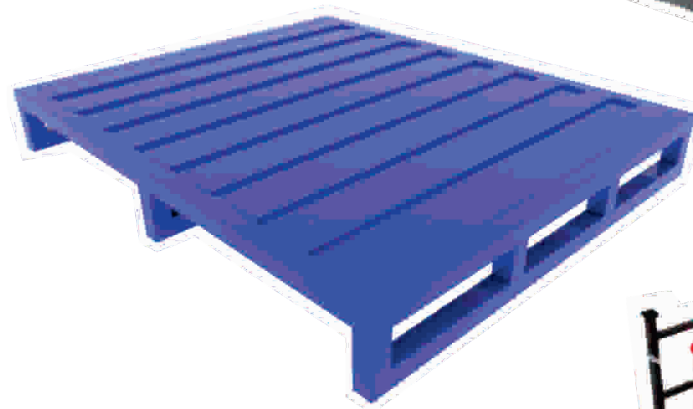

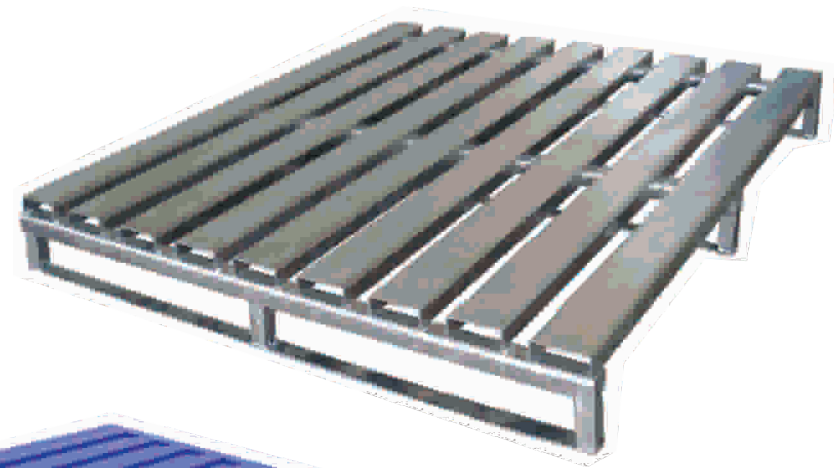

Fabrication Advanced Engineering (Pvt) Ltd. was established in 1997 as an Adjustable Racks Company, manufacturing various Textile , Industrial & Departmental Store Racks.

F.A. Engineering (Pvt) Ltd. manufacturing units are located in the suburbs of Lahore, which undertakes the fabrication of all types of storage rack systems of international quality for Industrial, Commercial & Domestic Sectors. Ideal for gas and oil, power plants, textiles, shops, offices, schools, kitchens and also for home storage, such as suitcases, boxes and cartons. All F.A. Engineering (Pvt) Ltd. products are powder coated in the variable beautiful colors

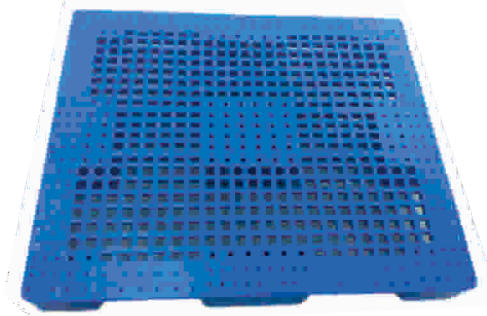

Whether it is your home store or office space, Management of space is one of the main activities that can be done with the help of different types of racks ranging from wooden to steels. Now a day's decisions are not based on cost only, rather opportunity cost, re-usability, salvage value are also considered, that makes steel racks the only solution for storage and organizing needs. Display steel racks are normally used by commercial business man to display their products in a way , so that they attract customers and boost your sale.
